

SUNRAISE: Sustainable Natural  
Resource Use in Arctic and High  
Mountainous Areas  
**Anees, M.M.**  
**BIOSKETCH**

M.M. Anees is currently a PhD scholar in School of Environmental Sciences, Jawaharlal Nehru University, New Delhi (India). He holds a post-graduate degree in Environmental Sciences from Delhi University. He aims to develop expertise in urban ecosystem studies and geospatial data management.

**Academic interest:** Understanding the role of human induced physical actions in transforming urban ecosystems and delineating its effect on urban growth, green infrastructure and vulnerability using remote sensing and GIS as a tool

**PhD topic:** Characterizing urban ecosystems in the capital cities of the Western Himalaya

**PhD supervisor:** Prof. P.K. Joshi
