

Program of the project meeting of Russian participants in the framework of the Erasmus + SUNRAISE project "Sustainable Natural Resource Use in Arctic and High Mountainous Areas"

| Time | Event | Place |
|--------------------------|--|---|
| 24.06.2021 | | |
| 10:00 – 17:00 | Arriving and registration | Svobodny ave., 79, Department of ecology and nature management, room 44-15 |
| 25.06.2021 | | |
| 10:00 – 12:00 | Arriving and registration | Svobodny ave., 79, Department of ecology and nature management, room 44-15 |
| 12:00 – 13:00 | Welcoming speech of the Vice Director of the Institute of Ecology and Geography | Svobodny ave., 79, Department of ecology and nature management, room 44-15 |
| 13:00 – 14:00 | Lunch | Svobodny ave., 79 |
| 14:00 – 15:00 | Meeting with the staff of the Department of Ecology and Environmental Management: presentation of massive online courses | Svobodny ave., 79, Department of ecology and nature management, room 44-15 |
| 15:15 – 17:00 | Meeting with the staff of the Center for Ecotoxicology and Environmental Safety | Svobodny ave., 82-6, Ecotoxicology Center and environmental safety, room 7-14 |
| 26.06.21 | | |
| 10:00 – 14:00 | Basics of working with the electronic educational resource of SFU: https://e.sfu-kras.ru/ | Svobodny ave., 79, Department of ecology and nature management, room 44-15 |
| 14:00 – 15:00 | Lunch | |
| 15:00 – 17:00 | Group work and consultation | Svobodny ave., 79, Department of ecology and nature management, room 44-15 |
| 27.06.21 | | |
| Day off | | |
| 28.06.21 | | |
| 10:00 – 14:00 | Approbation of the course «Introduction to the Arctic environment and permafrost zones, with an overview of biophysical, social and economic systems, available knowledge and science-policy interfaces» | https://e.sfu-kras.ru/ |
| 14:00 – 15:00 | Lunch | |
| 15:00 – 17:00 | Group work and consultation | online |
| 29.06.21-30.06.21 | | |
| Moscow time | Participation in the International Conference «Internationalization and ERASMUS+ projects | The National Erasmus+ Office in Russia - online |

| | | |
|-----------------|---|---|
| | in Russia» | |
| 01.07.21 | | |
| 10:00 – 14:00 | Approbation of the course «Introduction to the Arctic environment and permafrost zones, with an overview of biophysical, social and economic systems, available knowledge and science-policy interfaces» | https://e.sfu-kras.ru/ |
| 14:00 – 15:00 | Lunch | |
| 15:00 – 17:00 | Group work and consultation | online |
| 02.07.21 | | |
| 10:00-17:00 | Meeting with vice director for science of the National Park: - presentation of MOOKs developed under the SUNRISE project; - practical part of course «Introduction to the Arctic environment and permafrost zones, with an overview of biophysical, social and economic systems, available knowledge and science-policy interfaces»: field work in Stolby Nature Park | Karernaya Str., 26-a Stolby Nature Park Research Field Station «Narym» |
| 03.07.21 | | |
| 10:00-17:00 | Practical part of course «Introduction to the Arctic environment and permafrost zones, with an overview of biophysical, social and economic systems, available knowledge and science-policy interfaces». TOPIC 4. ARCTIC WATER RESOURCES - from water recreation to hydroelectric power station (on example on Krasnoyarsk hydroelectric power station and Mana river) | Field work |
| 04.07.21 | | |
| Day off | | |
| 05.06.21 | | |
| 10:00 – 14:00 | Approbation of the course «Environmental biomonitoring» | https://e.sfu-kras.ru/ |
| 14:00 – 15:00 | Lunch | |
| 15:00 – 17:00 | Group work and consultation. Field work. | |
| 06.07.21 | | |
| 10:00 – 14:00 | Approbation of the course «Environmental biomonitoring» | https://e.sfu-kras.ru/ |
| 14:00 – 15:00 | Lunch | |
| 15:00 – 17:00 | Group work and consultation. Field work. | |
| 07.07.21 | | |
| 10:00-14:00 | Meeting with the staff of the Department of Ecology and Environmental Management: discussion of the results | Svobodny ave., 79, Department of ecology and nature management, room 44-15 |
| | Departure | |
| 08.07.21 | | |
| | Departure | |
